TOWN OF ELKTON

Stormwater Management Review Fee Schedule

An applicant submitting a stormwater management plan, application for waiver or application for variance in accordance with the Code of the Town of Elkton, Title 13, Chapter 13.16, shall, along with the submission, pay to the Town a non-refundable fee in accordance with the following schedule of fees:

1. Stormwater Management Plan Review \$500.00 + \$100.00/acre, above 5.0 acres

In the event that the stormwater management plan is not acceptable to the Town, an applicant shall pay for all subsequent administrative processing and engineering review at the plan review rate.

2. Stormwater Management As-builts Plan Review \$450.00

In the event that the stormwater management as-builts are not in compliance with the approved plan or for some other reason are not acceptable to the Town, an applicant, in addition to any other action required by the Town, shall pay for all subsequent administrative processing and engineering review at the as-built plan review rate.

3. Review of Stormwater Management Waiver \$450.00

4. Review of Stormwater Management Variance \$450.00

5. Stormwater Management Construction Inspection Fee \$ 60.00/hour

[Note: The *Stormwater Management Review Fee Schedule* is established in accordance with the code of the Town of Elkton, Title 13, Chapter 13.16, and in accordance with Resolution R12-2001, adopted July 25, 2001.]
