All plats and plans must be clear and legible. Incomplete plats will be returned to the applicant for completion and resubmission

NOTE: Prior to the submittal of a preliminary major subdivision plan to the Planning Commission, the applicant shall to the extent possible, based on best available information, notify by certified mail all contiguous (inclusive of property on the opposite side of street) property owners of the proposal to subdivide the property. Notification shall include the name, address and telephone number of the developer, date and time of the Planning Commission Meeting, the acreage and zoning of the parcel proposed for the subdivision, and the proposed number of lots. Proof of notification shall accompany the concept plan submittal.

Additionally, the applicant shall be responsible for the erection and maintenance of a clearly visible sign containing a copy of the proposed plat on each of the property's road frontages. Each plan shall be provided by the applicant and fabricated to specifications provided by the Planning Department. The signs shall be durable, weather resistant, have a minimum dimension of 30 inches by 36 inches and shall be maintained in place until the final plat approval. If the Director of Planning or his/her designee determines that the applicant has failed to maintain or properly install the sign(s) in compliance with these requirements, the proposed project will be withdrawn from the Planning Commission agenda.
