FAIR SHARE POLICY

What is ETR and NR? ETR stands for Elkton Town Resident and NR stands for Non-Resident.

How do I know if I am an Elkton Town Resident or a Non-Resident? Elkton Town Residents are defined as those individuals living within the corporate limits of the Town of Elkton (anyone who pays property tax to the Town of Elkton). Non-Residents are defined as anyone not residing within the corporate limits of the Town of Elkton. **All individuals with Elkton mailing addresses are not necessarily Town of Elkton residents.**

Why do you charge different fees to residents and non-residents? The Town of Elkton, by way of property taxes, makes a substantial contribution to the operations of the Parks & Recreation Department. The fair share policy is intended to administer an equalizing fee to the overall financing of the department's operations on an equitable basis. Therefore, non-residents are required to pay an additional fee for each activity unless otherwise noted.
